

Publications 2009

Pilon C, Meurens F, Dauba A, Salmon H, Velge-Roussel F, Lebranchu Y, Baron C. Induction of porcine regulatory cells by mycophenolic Acid-treated dendritic cells. *Transplant Proc.* 2009 Mar;41(2):700-2. PMID: 19328960 [PubMed - in process]

Faugaret D, Dauba A, Baron C, Velge-Roussel F, Lebranchu Y. Mycophenolic Acid Inhibits p38 Mitogen-Activated Protein Kinase in Human Monocyte-Derived Dendritic Cells Stimulated by Lipopolysaccharide. *Transplant Proc.* 2009 Mar;41(2):698-9. PMID: 19328959 [PubMed - in process]

Mnasria K, Lagaraine C, Velge-Roussel F, Lebranchu Y, Baron C. Anti-CD25 Antibodies Decrease the Ability of Human Dendritic Cells to Prime Allogeneic CD4 T Cells. *Transplant Proc.* 2009 Mar;41(2):695-7. PMID: 19328958 [PubMed - in process]

Hoffmann TW, Halimi JM, Büchler M, Velge-Roussel F, Al-Najjar A, Marliere JF, Lebranchu Y, Baron C. *Transplant Proc.* 2009 Mar;41(2):654-6. Impact of a Polymorphism in the IL-12p40 Gene on the Outcome of Kidney Transplantation. PMID: 19328947 [PubMed - in process]

Ba S, Halimi JM, Al-Najjar A, Barbet C, Buchler M, Brunereau L, Lebranchu Y, Tranquart F. Prognostic value of absent end-diastolic flow within the first week following renal transplantation. *Transplant Proc.* 2009 Mar;41(2):645-7. PMID: 19328944 [PubMed - in process]

Roland M, Barbet C, Paintaud G, Magdelaine-Beuzelin C, Diot E, Halimi J, Lebranchu Y, Nivet H, Büchler M. Mycophenolate mofetil in patients with systemic lupus erythematosus: a prospective pharmacokinetic study. *Lupus.* 2009;18(5):441-7. PMID: 19318398 [PubMed - in process]

Pilon C, Levast B, Meurens F, Le Vern Y, Kerboeuf D, Salmon H, Velge-Roussel F, Lebranchu Y, Baron C. CD40 engagement strongly induces CD25 expression on porcine dendritic cells and polarizes the T cell immune response toward Th1. *Mol Immunol.* 2009 Jan;46(3):437-47. Epub 2008 Nov 25. PMID: 19036453 [PubMed - indexed for MEDLINE]
